Re: Appeal for funding year 2007 Form 471 Postmarked Outside of Window Letter

- On January 12, we filed the 470 -posted online for 28 days
- 471 deadline was February 7
- Our 28 days were up on February 9
- I tried to fill out the form online on February 9, 2007. The screen said that there were technical difficulties and to try again in 24 hours.
- Next time attempted was Thursday, February 15
- Sent in mail with return receipt

I realize now that I need to post the 470 on line 28 days before the deadline date so that they do not overlap.

I am hoping that there will be enough funding to cover our request since we are a very small and poor school and this would be an economic hardship for us.

Thank you for your consideration.
